

Diablo Fire Safe Council Board Member Application 2014

Name:	Organization:
Address:	
Phone:	E-Mail:

Do you have experience sitting on a governing board or advisory body? Please list past and current experience, noting boards/advisory bodies you currently sit on and monthly time commitment of each.

If you have experience on a board/advisory group, what committees have you participated in? What other special activities besides meetings have you participated in?

What special skills would you bring to this board?

The Diablo Fire Safe Council Board will meet in-person approximately every other month and have an annual planning meeting. However, the Council will need decisions between meetings, which may require the board to convene more frequently in person or via conference calls. Committees meet as needed to fulfill program goals. You may be selected to be an officer. In total, the Council estimates 10-15 hours each month in time commitment, not including travel. Are you able to commit this amount of time?

Yes

No
