

Contra Costa County
CWPP Update
Community Wildfire Protection Plan

Help update the

Contra Costa County Community Wildfire Protection Plan

The Draft Update is ready you to download for review and input

www.diablofiresafe.org/Draft_2014_Contra_Costa_County_CWPP_Update.pdf

We want your input on wildfire risks and hazards.

Share your concerns and local knowledge

Give us your opinion on recommended strategies to reduce risks.

A Community Wildfire Protection Plan (CWPP) is a collaboratively developed plan that identifies wildland fire hazards, prioritizes ways to reduce those hazards and recommends measures for homeowners and communities to reduce ignitability of structures. The Diablo Fire Safe Council has been working with local fire departments, agencies, homeowner groups and others to update the 2009 Contra Costa County CWPP.

There is still time to participate in our survey at
